

Cochrane Ontario

\$69,900

This 1.3 acre parcel is conveniently located in an unorganized township with year round municipal road access only minutes from town. The property features a rustic cabin with 2 bedrooms, wood stove and propane cooking stove. The camper trailer and newer built bunkie structure is perfect for guest and awaits your personal touches. Located in wildlife management unit 27, close to many lakes and rivers for fishing and good proximity to snowmobile trails. This property is ideal to use as a hunting camp or home away from home. Enjoy the beauty of nature in northern Ontario with this easy to maintain property. This property is being sold as is without septic, water or hydro, however hydro is connectable from the roadway.
