

9608 103 Avenue Clairmont Alberta

\$190,000

Nice open plan, with an abundance of cupboards and counter space in the kitchen, including a movable island and a pantry. The kitchen and living room are together under a vaulted ceiling. The master bedroom has a walk-in closet, and an en-suite with a jacuzzi tub. The 2 other bedrooms are at the opposite end of the home. The back door gives access to the deck, and on the opposite side there is a pet door that leads to a dog house and enclosed run. There's a wood burning firepit in the back yard, and the yard backs onto the school!!! The driveway is triple wide, with ample room to park an RV.
