

## 920 Big Rock Court Kelowna

\$975,000

TEAM HAMER-JACKSON OF RE/MAX KELOWNA PRESENTS sweeping views from this remarkable custom Rykon built 5 BEDROOM & DEN, 5 bathroom home perfect for the family with teenage kids or those that host overnight guests. 4600 sqft, sprawling main floor featuring master bedroom w/ luxurious steam shower ensuite, spacious kitchen & amazing views plus all other living & dining areas perfect for people that like to entertain. The upper level has 9ft ceilings, 2 guest bedrooms each with their own ensuite, library area plus a large butlers closet for storage or extra closet space. The upper bedroom balcony offers relaxing views of the mountains. The lower level of this home has 2 more bedrooms, 4th full bath & summer kitchen. Perfect for the teenagers who like their own space or the in-laws. Totally separated off to the side of the basement we have a deluxe indoor energy efficient saltwater jetted pool, professionally installed & ventilated with Intelli-touch control pad so you can swim laps in the current or crank it up & enjoy as a hot tub. Excellent feature for the active family or need water therapy year round. Private patio off the pool room to enjoy some fresh air after a soak or swim! There is a wine room and den/flex room in the basement as well. Loaded with more features such as crown mouldings, high ceilings on all 3 levels, 2 cosy fireplaces, 3 stunning view balconies plus front porch, large double garage and on quiet court in desirable Wilden just minutes from the University & airport! Shows Immaculate!
