

1826 Mountain Avenue Kelowna British Columbia

\$649,900

This spectacular GLENMORE home shows AAA inside and outside. Located in "OLD GLENMORE" you'll love living in one of Kelowna's very best neighbourhoods. Inside the home is picture perfect and sure to impress. An amazing ISLAND KITCHEN is the focal point of the open concept living area. The stunning custom kitchen is brand new and would be the envy of most chefs; as it features GRANITE COUNTER TOPS + Blum undermount SOFT CLOSE hardware + STAINLESS STEEL APPLIANCES + tons of cupboard space. From the kitchen sink window you look out to a picturesque and private back yard. Located off the kitchen is an oversize living room, making this an ideal space for entertaining or relaxing with the family. Finished with classy crown moldings and brand new engineered hardwood, you'll feel like you're living in a show home. Also on the main floor are 3 bedrooms and a 4 piece washroom. Downstairs will surprise you, as it's another living space of its own. This lower level has a spacious FAMILY ROOM, a MASSIVE BEDROOM with its own ensuite washroom (with jetted tub and separate shower) and a DEN. Outside the home has curb appeal and has laneway access too. The private (fully fenced) yard has a new 10' x 10' shed and the underground irrigation makes it easy for you to have a green lawn in the summer months. A/C, Furnace & windows are newer. Located close to schools, parks, shopping, public transit, recreation and so much more, you'll love the ease of living in OLD GLENMORE. (id:6769)
