

2041 Covington Crescent West Kelowna British Columbia

\$699,900

Located on one of the Westside's most desirable streets this traditional 2 storey home with walk-out basement features 3600 sq ft of living area and access to an above ground pool with deck & patio areas for relaxing in a private treed setting. The main floor family room opens to the large kitchen with Stainless Steel appliances & eating area with access to the barbeque deck. The formal living room has hardwood floors & gas fireplace. A gorgeous updated ensuite features double vanity, soaker tub & shower along with a well appointed dressing room. The upstairs is complete with 2 more bedrooms, an updated main bath & new carpets throughout. On the lower level there is another bedroom, an exercise & games area and a family room that would easily convert to a media room. (id:6769)
