Quality renovations in this beautiful lake-view home in the peaceful neighbourhood of McKinley Landing. There are 4 bedrooms, 3 full bathrooms and over 2,000 sq. ft. of space. The kitchen is fully renovated and has a wall oven, induction stove and a linear island that can seat 8 people. The perfect home for entertaining! Bring the outdoors in with an oversized glass sliding door that leads from the kitchen to the large wrap-around deck with lovely lake and mountain views. The main living area is open-concept and has lots of natural light, vaulted ceilings with skylights and an engineered hardwood floor throughout. In the sunken living room is a 50,000 BTU per hr, wood burning fireplace that provides enough heat for the whole main living area - perfect for keeping warm on cool winter evenings. Two bedrooms occupy the main floor and there are two more below. The home includes a sauna which can be set on timer, ready for your return from a day of skiing. An abundance of storage and parking for multiple cars or an RV. McKinley Landing is a quiet and safe neighbourhood, and the home is just a short stroll from the beach. (id:6769)
