

2755 Thacker Drive West Kelowna British Columbia

\$1,200,000

No photo does this home the justice it deserves. You will see what I mean the moment you cross the threshold. Elegantly appointed and professionally updated walkout basement view rancher. Exquisite Carolyn Walsh designer kitchen. Great open floorplan to accommodate your social evenings with friends and family while taking in the spectacular lights of the city from the Panoramic views. Rarely found .44-acre view lot just begs for an infinity pool at the already fenced and retaining walled lower garden where secluded quiet spaces abound at which to sit back in your Adirondack chairs, taking in the wonderful views while sipping a glass of your favourite VQA wine from one of the many local wineries nearby. Nesters Market along with a compliment of shops a 5 to 10-minute walk away (id:6769)
