

536 Snowsell Street Kelowna British Columbia

\$599,000

Completely remodeled & updated. Open room concept, vaulted cedar ceiling with open beams. Laminate flooring, granite countertops throughout, gas stove, stainless steel appliances, dark maple cabinets. New furnace, ductwork, electrical, plumbing, fixtures, doors & trim. Heatpump A/C. Basement has a separate entrance and very high 10' ceilings. New vinyl windows downstairs. Basement is mostly above ground, nice and bright. Would make an excellent opportunity for Air B&B, student room rental, or add a summer kitchen and have extended family living potential, and yes even a suite once the legal process is followed. Plenty of room in the back yard for parking and RV storage. Flat 100% useable lot. (id:6769)
