

801 Dalton Road 1 Kelowna British Columbia

\$18

Prime Corner Unit | Showroom | Multiple Offices | Warehouse | Grade Loading Unit #1 801 Dalton Road, Kelowna, BC presents an excellent opportunity for businesses looking for a versatile commercial/industrial space in a highly accessible location just minutes from Highway 97. This prominent corner unit features a professional and welcoming showroom, multiple private offices, and a functional warehouse area with grade-level loading. With lots of available power, the space is well suited for a wide range of commercial, industrial, wholesale, trade, and service-oriented businesses. Need more office space? The property can also include an additional approximately 3,000 sq. ft. of second-floor office area, providing a significant opportunity to expand your administrative, sales, or operational footprint. Whether you're looking for a new location for an established business, expanding your operations, or need a facility that can accommodate both customers and industrial functions, Unit #1 at 801 Dalton Road offers the flexibility to make it work.
