Morning coffee in the kitchen, kids or guests still upstairs, and the backyard just a few steps away for those quiet Okanagan evenings. This fully detached home in the Summerwind community offers the kind of layout that simply works—open kitchen, living, and dining flowing together, with direct access to a fully fenced yard. The kitchen delivers where it matters most: generous counter space, room to host, and a natural gathering place at the heart of the home. Vinyl herringbone flooring adds a clean, modern touch throughout the main level, with laundry and a convenient powder room rounding out the space. Upstairs, three well-sized bedrooms provide flexibility for family, guests, or a home office. The primary bedroom is set up as a true retreat, complete with a walk-in closet featuring a custom organization system and a private ensuite. Located in a quiet, well-kept strata community, and just a short walk to Kin Beach and Okanagan Lake, this is easy, low-maintenance living with the lifestyle people move to Okanagan Landing for.
