Looking for bare-land storage that is secure for your vehicles, equipment, supplies/materials and more? All of your storage needs are at YuCan Storage, located in Marwell. Each option is separately fenced within a secure compound that offers 24-hour access by code. This space is approximately 110'x87' but there is also flexibility to create a larger space if needed. Convenient and private location is perfect for storage of ATV's & snowmobiles, outdoor furniture, containers, trailers, campers, boats and anything else that can weather the elements. Long term and temporary options available. Additional storage options available include 12' or 14' wide vehicle stalls and 20' sea-cans. (id:6769)
