

519 Highway 33 Highway 101 & 102 Kelowna British Columbia

\$980,000

An amazing opportunity with this over 2200 sqft of high profile commercial space in the heart of Rutland! Restricted to professional services as a use, the building is currently being used for Medical and Dental services with excellent long term owners occupying the other units. A central reception desk overlooks the two separate waiting areas. The combined 6 examination rooms (3 per side), 2 large main offices and 2 other rooms which could be used as more examination rooms are all part of this offering. There are two half bathrooms along with a renovated full bathroom for customers. A central storage room and lunch room are at the centre of this floor plan. Both sides are essentially a mirror image to the other side. With many updates over the years this is a great start for a young professional to set up a clinic, practice or maybe something else that falls under the umbrella of professional services? The space is bright and inviting with plenty of windows and natural light. Forced air heating with AC and an extra storage room downstairs in the basement. The strata fee varies each month but is generally about \$1800. This is the biggest unit in the building with a great location near the entrance to the parking lot with excellent highway frontage and tons of parking! Please check out the virtual tour in the media tab and call with any questions! (id:6769)
