

1029 ANTLER Drive Penticton British Columbia

\$428,000

Welcome to The Ridge, one of the area's most popular developments. This is a rare opportunity to secure the last large, flat canyon-view building lot remaining in the development. Measuring an impressive 72' wide by 155' deep, this property offers an exceptional building site with plenty of room to design your dream home, create generous outdoor living spaces and still have room for a pool. All services are available at the lot line, and with the level terrain, this lot is easy to build on and shovel ready. As an added bonus, the GST has already been paid. Large, flat building lots like this are increasingly difficult to find. Don't miss your opportunity to build the home you've always wanted in The Ridge. (id:6769)
