\$2,998,000

Gorgeous modern masterpiece located in the sought-after Lower Mission. Built from concrete, this home expertly blurs the lines between sleek sophistication and warm modern design. Minimalist landscaping with water features. Grand and open main level with views pouring in through the expansive floor to ceiling windows. The entirety of the home has been finished with the utmost attention to detail. Exquisite finishings include white oak floors, high gloss stretch ceilings with inset lighting, a walnut bar and designer lighting. A Carrara marble fireplace creates a focal point in the great room. Gourmet kitchen effortlessly blends form and function with custom Liecht cabinetry, Miele appliances, and a beautiful, illuminated centre island. Nana sliding windows and doors open from the kitchen and dining area creating a seamless transition to the spectacular outdoor entertaining space featuring a deck that was recently enlarged with an infinity pool, hot tub, grilling area and stunning views. A unique floating and suspended staircase leads to the 2nd level of the home. Luxurious primary retreat with opulent en suite and gorgeous walk-in closet. Two more bedrooms and a bathroom. Private patio off this level is ideal for a morning coffee. Lower level is fabulous for guests with a bed, bath, home gym, bar and rec room. Pristine two car garage with epoxy coating. This is a truly remarkable home and must be seen in person to fully appreciate the craftsmanship and design. (id:6769)
