

200 Moonshine Crescent 11 Big White British Columbia

\$950,000

Ski in, ski out, detached, and a corner unit at Big White. That combination doesn't come up often, and once you see it in person, you'll understand why. This 2-bedroom, 3-bathroom cabin in Bullet Creek Cabins gives you your own place on the mountain without sharing walls or hallways with anyone. Each bedroom has its own ensuite, plus there's a half bath upstairs for guests, so nobody's lining up for the shower after a long day on the hill. It's turnkey, fully fully furnished and ready to go, which means your first weekend is spent skiing, not working on the place. Click into your skis at the door and ski home at the end of the day. When you want a change of pace, the village is just a 5 minute walk away for dinner, or meeting up with friends. Step out onto the deck and this is where the cabin really sets itself apart. The newer hot tub overlooks a spectacular view, the kind you'll want to soak in long after the lifts close. As a corner unit, you get a level of privacy that's hard to find anywhere on the mountain. Summer is just as good, with the Bullet Chair and summer activities only steps away and a BBQ on the deck. This is Big White living at its best. Ski in, ski out access, a private hot tub with a view, and your own detached cabin minutes from the village, all in one address. (id:6769)
