

11160 GRANBY ROAD Grand Forks British Columbia

\$690,000

Off grid paradise! This bright open concept 3-bedroom home has stunning valley views and 160 acres to roam. Full of mature timber and a creek that runs through it, there are endless possibilities. Power is from a solar system and a generator. There is Rogers's cell service and Starlink internet, so you still can be connected if you choose. There are many flat building sites on the land, a RV for family or guest and a banya by the creek with a hot tub for a cold plunge. The 23 x 19 workshop with large bay doors is great for storage or mechanics. Located 14 km from Grand Forks BC, you are still close enough for the convenience of a town but have the privacy and nature out your back door. Have more questions, reach out to your agent today to set up a private viewing. (id:6769)
