

# 11537 Okanagan Centre Road Lake Country British Columbia

\$2,653,000

To truly embrace this home, you must step inside. From the moment you cross the threshold, the lake reveals itself - expansive, calming, ever-changing. Designed by a respected architect and built with exceptional attention to detail, this custom residence was intentionally positioned to capture Okanagan Lake from nearly every principal room. Clean modern lines, walls of glass, and expansive terraces create a seamless connection between indoors and out. Each level offers its own perspective of water and sky, whether you're enjoying morning coffee on the covered patio or watching the sun set across the mountains from the upper terrace. The kitchen is both refined and functional, anchored by rich granite surfaces, premium appliances, and effortless flow to outdoor dining. A dramatic open staircase serves as an architectural statement while maintaining the home's sense of openness and light. The primary suite is a private retreat, with direct terrace access, a spa-inspired ensuite, soaker tub, dual vanities, and a generous walk-in closet complete with secondary laundry. The lower level offers flexibility for guests, family, or entertaining, with walk-out access and easy connection to the beach just steps away. Paddleboard at sunrise, tie your boat to the buoy, stroll the shoreline path, or visit nearby wineries and cafés. This is lake living..... elevated, intentional, and designed to be experienced. Come view it. (id:6769)
