

Whitehorse North Yukon

\$1,479,900

Picture your life surrounded by the peaceful beauty of the Yukon, where every sunrise over the mountain views feels like your own private masterpiece -- just 25 minutes from downtown. Tucked beside the Yukon Wildlife Preserve, this 7.5-acre property is where country living meets comfort and craftsmanship. The 2,350 sqft 3-bed, 2.5-bath home features oak floors, two living areas, wood and propane fireplaces, and wrap-around decks to take in the views. The guest cabin is a great mortgage helper, while a 60-panel solar system keeps efficiency high. The property is set up for horses including a 2-stall horse barn with heated tack and feed rooms, 2 acre fenced pasture, and riding arena. There is also a hay barn/workshop, greenhouse, and irrigated garden space. Serenity, sustainability, and space to breathe, welcome home to 1183 Takhini Hot Springs Road.
