

1209 LAKESHORE Drive Osoyoos British Columbia

\$1,899,900

Once-in-a-Lifetime Opportunity - The legendary family-owned estate that's long been admired is finally available, offering nearly an acre of beautifully manicured, flat land just steps from the shores of Osoyoos Lake. This semi-waterfront Hacienda-style masterpiece, originally crafted by renowned architect Rudolph A. Matern, is bursting with character and architectural flair. Grand vaulted ceilings, striking exposed beams, and an expansive layout make it a dream home for those who love to entertain and gather in style. The sprawling grounds are a private oasis - lush lawns, mature trees, and full irrigation set the stage for serene outdoor living. There's ample space for an in-ground pool, complete with convenient pool deck access to a bathroom, plus room to park an RV, run a home-based business or create a small hobby farm. A massive 3,000 sq ft detached shop is a rare gem on its own, equipped with 200-amp service, a gas furnace, and a wood dust collection system—ideal for craftspeople, car collectors, or serious hobbyists. The lower level of the home offers suite potential with a spacious one-bedroom setup and abundant storage, making it perfect for guests or extended family. Lovingly cared for and meticulously maintained over decades, this is more than just a home - it's a legacy property waiting for its next chapter. Don't miss your chance to own a piece of Osoyoos history.
