OPEN HOUSE SATURDAY, April 19 FROM 1-3 PM. An Okanagan dream is the ONLY way to describe this walkout rancher home! At over 4000 sqft, with stunning expansive lake views, it sits on a quiet street in Lakeview Heights. The current owners upgraded the home, adding a parking pad at the front of the house, as well as a patio area, extending the sidewalk, adding a concrete stairway to the back, adding built-in shelving & stone on the fireplace wall, and just this year they had the stucco expertly repainted and all the concrete re-sealed. Pride of ownership shows! This is a 4 bedroom, 3 full bath home. The primary suite, second bedroom/office & laundry are on the main floor, and 2 more bedrooms are on the lower walkout level. Hardwood throughout main floor, granite countertops w/ soft-close drawers. It features a large island with an eating bar. All stainless steel appliances, built-in oven & gas stove. Handy pantry off the kitchen. Large windows on the main floor make for great lake views from the kitchen, dining room, living room & primary bedroom! The lower level has a large family room, a wet bar, and another fabulous space that could easily be a theatre room, games room, play area or storage. A secondary suite can be added. Large rear deck and patio, with a hot tub to enjoy the views. The garage is fully finished & heated. Navien hot water heater, central vacuum, a large storage room, and a den/gym, could be 5th bedroom. Move-in ready ~ that perfect Okanagan dream home! (id:6769)
