

Whitehorse Yukon

$724,900

An exciting opportunity to own brand-new commercial space in the growing community of Whistle Bend. Located on Keno Way, this offering comprises two commercial units being sold together, each providing approximately 1,150 sq. ft. of space, for a combined total of approximately 2,300 sq. ft. Featuring windows along both sides, the units benefit from an abundance of natural light. The exterior cladding and insulation are complete, while the interiors have been intentionally left unfinished, offering a blank canvas for buyers to design and customize to suit their business requirements. The layout also offers the potential to combine both units into one expansive 2,300 sq. ft. commercial space. Whether you're looking to establish your own business, expand an existing operation, or secure an investment in one of Whitehorse's growing neighbourhoods, this is a rare opportunity to create a space tailored to your vision.
