

1485 Fairwood Lane Kelowna British Columbia

\$479,000

Build your dream home on one of Black Mountain's most desirable lakeview lots! Tucked away on a quiet cul-de-sac with added privacy and surrounded by newer homes, this exceptional lot comes with plans already prepared for a stunning 4,441 sq.ft. three-storey residence featuring 6 bedrooms, 6 bathrooms, an office, and a balcony on every level to take in the incredible views. Services are conveniently available at the lot line, making this an ideal opportunity for builders, investors, or families ready to create a custom masterpiece. Use the existing plans to fast-track your vision or bring your own ideas to life on this spectacular homesite. Most of the street is already built out, offering a visual of what the final feel will look like. Seller has already paid GST when purchasing; however, if it is applicable price is plus GST.
