# Sackville New Brunswick

\$2,800

Charming character home on an oversized lot in the heart of downtown Sackville! Welcome to 15 Allison! This 6 bedroom, 2 bath century home is conveniently in the heart of Sackville, just a short walk to stores, restaurants and Mount Allison University. It is also situated close to playgrounds, schools and the Sackville Waterfowl park, making it an excellent location for families and students. While the house has had some updates over the years it retains much of its original charm. As you walk through the front doors you step into a large foyer, to your right is a double living room across the front of the room with pocket doors. Next is the formal dining room and updated kitchen with center island, granite countertops, stainless steel appliances and walk in pantry. A Sunroom, a full bath, a laundry room/mud room and a bedroom at the back (currently being used for storage) complete this level. Upstairs you will find 5 bedrooms and a second full bath. Beautiful hardwood floors throughout both levels. The basement is unfinished and has a high efficiency forced air propane furnace for the ducted heat pump offering heat and air conditioning throughout the house. The top part of the walls in the basement have been spray foamed for extra insulation. The two level carriage house (24ft x 24.4ft) at the back of the home has been gutted and offers additional storage. This is a unique property that does not come along everyday!
