Nestled in the desirable Westview area, this meticulously maintained 1949 bungalow offers charm and versatility. Featuring 2 bedrooms and 2 baths, this home exudes warmth and character. Originally a 3-bedroom layout, one room upstairs has been cleverly opened up, providing a spacious living area that can easily be reverted to a bedroom. The front door, a unique touch imported from Scotland, adds to the home's distinctive appeal. Behind its siding lies a brick exterior, complementing original baseboards and hardwood flooring in good condition. Ideal for gatherings, the basement boasts a convenient wet bar and beautiful double doors with glass panes, leading to a sizable area perfect for recreation. Recent updates include a sewer replacement in 2014 and new shingles on both the house (2019) and garage (current year). The insulated garage features a 220-volt plug, catering to hobbyists or automotive enthusiasts. Outside, a serene patio invites relaxation, making it an ideal spot for enjoying peaceful moments or entertaining guests.
