## Havelock New Brunswick

\$499,900

This beautiful family home has lots of great things for most family's. Large open concept eat in kitchen with an incredible view of the valley and some my say that you can see all the way to the city. The living room offers a spacious room complete with a propane fire place. The kitchen has a ton of storage with access to the private back deck. Go down 1 level to a nice family room that also has a built in bar & others access to the front door & the large 2 car attached garage. Down to the unfinished basement you'll find a woodstove. From the living room level you go up to the top floor to find 3 more bedrooms & a second full bath. There are 4 bedrooms & 2 full washrooms all together. A nice front deck that's completely covered from the rain with another deck overlooking the backyard. There's enough space on different levels to give privacy to all your family members. A rare enough find with a circle driveway offering lots of parking & about 6 acres of land that's wooded & a large lawn area with incredible views. 3 mini splits offering heat & air conditioning.
