Renovated and ready for you -- 161 Rainbow Rd in Crestview pairs 1200 sq ft and 2 bedrooms with mountain views from an oversized wraparound deck. Inside you have numerous upgrades including laminate flooring, trim, paint, black light fixtures, soft-close cabinetry, wood island, new sink and appliances, plus a refreshed bath with tiled tub surround. The bump-out addition is the surprise -- wall sconces, warm light and a cozy fire make it a second living space you'll actually use, complete with built-in desk and a clever wood chute that feeds firewood in from the entry. A big bay window frames the view from the main living room. Outside: perennial gardens and wildflowers, tons of driveway space with new crush brought in, and a huge fenced yard ready for kids and pets. Big workshop in the back is a nice addition to work on your projects. A tiny house on the property is available for purchase separately, or can be included with the sale! (id:6769)
