

163 Farleigh Lake Road Penticton British Columbia

\$1,595,000

Private 10 acres with 1,000 feet of frontage on Farleigh Lake, this fully renovated home with a 1,000 sq ft garage is one of the most versatile acreage packages to hit the South Okanagan in years. Flat, usable land suits any vision -- equestrian, hobby farm, or multi-generational living -- with downtown Penticton just 15 km away. The home itself delivers from the moment you walk in, with a welcoming foyer that sets the tone for the thoughtful layout throughout. The great room centres around a modern kitchen with quartz countertops and a sit-up island designed for real family life. The dining and living areas accommodate large gatherings and flow seamlessly to an expansive partially covered deck with views across the land, lake, and hillside. The main floor carries three bedrooms on the main floor including a primary suite with walk-through closet and a custom ensuite with double sinks and tiled shower. The daylight basement -- with its own separate entrance -- adds two more bright bedrooms, a generous family room, and substantial storage. Outside is where this property truly separates itself. A private beach, flat land for horses, room for chickens, motorsports, a volleyball court, a hockey rink -- the list is only limited by what you want to do with it. Crown land directly across the street adds a whole other dimension for hiking and riding, and with Apex Mountain Resort just 20 minutes away, the four-season appeal here is hard to argue with.
