Juniper West Builders is pleased to present their latest single-family home that is set in one of the area's most sought-after family neighbourhoods. Located on a quiet street surrounded by nature, this home offers the perfect balance of peaceful living and everyday convenience. Enjoy easy access to scenic hiking trails, parks, and a popular bike park; ideal for active families and outdoor enthusiasts. This 2,990sqft Basement entry home includes a turnkey experience with high-end finishes throughout, full appliance packages, walk-in closet, blinds package, and fully completed front and back landscaping with irrigation. With 3 bedrooms and 2 bathrooms up, open concept living and a den down there is space for the whole family. There is a legal self contained 1 bedroom plus den basement suite for extended family or use as a mortgage helper. The oversized 688sqft garage is a rare and desired find. Take in stunning mountain and natural landscape views from the front deck -- the perfect place to relax with your morning coffee or unwind in the evening while soaking in the scenery. Built to Step Code 4; this home is near net-zero-energy and considered high performance for energy efficiency in new construction. Photos are digitally rendered. Estimated Completion July / August 2026.
