

Regina Saskatchewan

\$299,900

if you want to start up a take out restaurant without the up front costs(which are considerable) and the time it takes to obtain required licensing etc here's your chance. this turnkey business is currently running and has room for lots of expanded business. Lots of upgrades incl plumbing and electrical plus city licensing in place, check out costs of air control and appliances and then come see why this a perfect opportunity. And no rent or common area charges to pay call to see (id:6769)
