Welcome to a storybook setting in Rose Valley-- a family haven where laughter echoes down safe streets, where neighbours wave from porches, and children's games stretch long into golden evenings. This family home rests on a generous, fully fenced lot-- a canvas for carefree play, wagging tails, and backyard adventures. Inside, the heart of the home has been lovingly renewed: a modern kitchen, refreshed bathrooms, updated floors and windows, a new furnace, hot water tank--comfort in every detail. Just off the entry, the former garage has been reimagined as a spacious bedroom or private home office, with a deep closet and quiet welcome for guests or work-from-home days. The main floor also offers a cozy rec room, bedroom, laundry, and full bath--perfect for growing families. Upstairs, under the warmth of sloped cedar ceilings, sunlight pours through new windows into the living room, blending beautifully with the renovated kitchen--a space that brings the outside in. Step onto the balcony to BBQ with a view, while kids laugh and play below. The upper level offers a serene primary suite with 3-piece ensuite plus two more bright, cheerful bedrooms and a full bathroom. The 40' x 30' concrete pad invites scooters, games and sports while the brand-new deck sets the stage for stories, gatherings, and peaceful moments. With trails to explore, parks to wander, and a community that feels like an extension of home-- this is where memories are made, and life is well-lived. (id:6769)
