You can enter the home through the Patio doors in the back or the walk through pool bathroom for your guests to wash off and shower before entering the home after a fun filled day outside by the pool. The inside of this home has new flooring from the living room to the bedrooms up and down. HWT is 2 years old, Furnace pump has been replaced with a new tank. The 1 bed 1 den downstairs can be easily converted into a suite for guests, with a separate door. There is a covered Storage for your boat or car with plenty of room for extra vehicles.
