\$274,000

Thank you for sharing the details about the lovely 1.5 story home in Bouctouche Baie! It sounds like a wonderful property, especially for those who appreciate nature and outdoor activities. With recent renovations including a new bathroom, kitchen, and updated flooring, it seems move-in ready. The proximity to eco trails and the local beach adds to its appeal, making it a great option for summer getaways or year-round living. The additional storage building in the back is also a practical bonus. (id:6769)
