

1343 Highland Drive 2 Kelowna British Columbia

\$899,000

Centrally located 5 bedroom, 2 bathroom 2000+ sq.ft. home in the Glenmore area of Kelowna! This home, located on a spacious 0.16 acre lot, is completely standalone in a bareland strata with NO strata fees! The renovated kitchen space offers stainless steel appliances and a tiled backsplash, and opens up to the living room space. The layout would work well for families, offering a high bedroom count and potential to suite the basement. There is plenty of parking at the front of the house, and the lot layout gives plenty of backyard and side-yard space. Additionally, the patios and decks offer additional outdoor living space, and fruit trees grace the yard. This is a great opportunity to get into a great central location that is in walking distance to all amenities, and offers a perfect layout for families or those wishing to get a suite into the basement space. Although the address says #2, this is a fully standalone home and lot that functions the same as a regular subdivided lot! (id:6769)
