Fantastic starter home for first-time home buyers who are fed up with renting and the ever-increasing rent. This home features an open concept floor plan with an abundance of windows. The bright living room has massive west-facing windows that allow tons of natural light to pour in. The kitchen has stainless steel appliances and plenty of cabinetry. Significant renovation was done in 2023 for the main floor, including new triple pane PVC windows inserted into original window frames, new drywall and new ceiling for most part of main floor, a new remodelled kitchen and dining area, new kitchen appliances, new floorings and a new shower place.
