

84 Van Horne Street 204 Penticton British Columbia

\$330,000

Sun, sand, and stunning views, this southwest-corner two-bed, two-bath suite delivers it all. with tons of natural light flooding the dining and living rooms, while sliding doors connect the space to a generous wrap-around deck that makes the lake and city feel like part of your home. With true corner exposure you get lake and city views, you'll enjoy the panorama in every season and at any time of day. Everyday living is easy: park securely underground plus additional outdoor parking, keep life tidy with in-unit storage and a separate locker, and stroll to the beach just one block away. The farmers' market and downtown shopping are only a couple of blocks from your door, so weekend plans practically make themselves. Unbeatable location, effortless convenience, and show-stopping views. (id:6769)
