

Watson Lake Yukon

\$89,900

1.43 acres of opportunity! This is the most treed lot in the area, offering both privacy and potential, with a driveway already in place for easy access. Just two blocks off the Alaska Highway, this Light Industrial-zoned property opens the door to a wide range of permitted uses—light manufacturing, vehicle repair, heliport, caretaker residence, and more. Whether you're an entrepreneur, investor, or builder, this is your chance to turn a blank canvas into your next masterpiece. (id:6769)
