This 3bed/3bath Takhini Duplex is an energy efficient 2011-build, with a finished basement walkout flooded with natural light and is begging to be converted to a suite. The lot offers privacy and works well for toy/trailer parking, general storage, and backs onto a green belt. Ideal for growing families and/or the multi-generational family, it's rare to find a modern energy efficient build in Takhini backing onto greenspace, and offering this much privacy. Morning coffees or evening BBQs on the balcony off the kitchen - YES! (id:6769)
