Outstanding value with this updated 3 bed, 3 full bath townhome in the sought after Terraces community! Main level has a wide entry foyer, 9' ceilings and direct access to the double car garage. The kitchen is like new with white appliances, gas range and features an island with seating space. Huge dining room for those big get togethers and a smaller space near the front of the house for more casual dining. The second level has the primary bedroom with the softest carpet ever and a massive walk in closet. The renovated ensuite bath features a custom shower with bench, quartz counter tops and tile floors. The upper floor also has a second bedroom which could be used as an office and an additional full bathroom. Sliding glass door takes you to the back yard where there is a new fence and stairs to the lower section of the yard. Forced air w/ac and built in vac.
