215 FOOTHILLS Boulevard Prince George British Columbia

\$349,900

Great industrial property, located beside Rolling Mix Concrete. This property is ideal for companies looking to avoid road bans in the spring. Over 3 acres of usable land, plenty of room for equipment, and a shop. The location is prime for industrial ventures. The volume of river bottom gravelly soils is around 30,000 cubic meters. Enough material to service a few subdivisions. The location would make a prime mini storage location as the location is on the Foothills connector. (id:6769)
