Prime Downtown Faro Commercial Opportunity! This landmark theatre building offers unmatched visibility and convenience in the very heart of Faro. In addition, Yukon Housing Corporation has maintained its offices in the building since 2007. With responsibility for essential community housing—including teachers, healthcare staff, conservation officers, and seniors—they are expected to remain a stable presence in town for the long term. For investors or business owners, this property represents a rare opportunity: steady tenancy, reliable community traffic, and prime downtown exposure. (id:6769)
