

2320 Bennett Road Kelowna British Columbia

\$859,000

A rare opportunity to secure the last remaining lakeview building lot on Bennett Road and the final one available across Bennett, Dubbin, and Dewdney. Set within a quiet, established lakeside enclave known for its larger lots and unhurried pace, this just-under-half-acre property sits across a peaceful road from Okanagan Lake, delivering the privacy, space, and calm that have become increasingly hard to find. The lake view is the centrepiece and it's never the same twice. Shifting light on the water, changing colours across the hillsides, sunrises that warm the valley, and night skies undimmed by city glow create a backdrop that feels both grounding and inspiring. Ideally positioned for a custom home designed to capture panoramic vistas from both interior living spaces and outdoor areas, with ample room to thoughtfully site a residence, gardens, and outdoor living. Residents enjoy three nearby beach accesses, a community dock, walking trails, and a family-friendly playground – all an easy stroll away, while everyday amenities remain just minutes from your door. A limited, generational chance to build in one of Kelowna's most scenic and quietly coveted lakeside settings. Room to breathe, room to build, and a view that rewards you every day. (id:6769)
