

2361 Big Sky Drive West Kelowna British Columbia

\$515,000

Click brochure link for more details. Build Your Dream Home with Views on Big Sky Drive. Discover an exceptional opportunity to own a 340 m² (approx.) building lot in one of the area's most desirable locations. This premium lot offers breathtaking panoramic views, making it the perfect setting for your dream home or investment property. What makes this property truly stand out is that the planning work is already done. Included with the sale are professionally designed, custom home plans that have been thoughtfully created to maximize the lot, capture the incredible views, and provide modern, functional living spaces. Even better, the builder who worked alongside the designer to develop these plans is available to construct the home, ensuring a seamless transition from purchase to construction. Working with a builder who already knows every detail of the design can save valuable time, reduce uncertainty, and simplify the entire building process. Property Highlights: Approx. 340 m² (3,660 sq. ft.) lot, Incredible panoramic views, Professionally designed custom home plans included, Plans optimized specifically for this lot, Experienced builder familiar with the design available to build, Save months of design and planning time, Excellent opportunity for a custom residence or investment. Whether you're looking to build your forever home or capitalize on a ready-to-go project, this is a rare opportunity to purchase a view lot with the hard work already completed. (id:6769)
