

## 2424 CRAWFORD STREET Creston British Columbia

\$795,000

Incredible location, amazing views. This recently renovated home on Crawford Hill is truly the best of both worlds; the Sellers have retained much of the original charm and flare of this home while updating and renovating it to combine many modern finishes within the original layout. Expansive hardwood flooring on much of the main floor, endless windows to capture the views, and a spacious and inviting deck overlooking the Creston Valley. The walk out lower level of the home currently lays out as an inlaw suite, continue with that option or just add it to your living space. The upper sundeck measures 26'8 x 17'4 offering plenty of room to sit and enjoy the view with family and friends. This beautiful home is situated on a .58 of an acre landscaped property right in town.
