

2445 Okanagan Street Armstrong British Columbia

\$349,000

A rare and private 3/4 acre parcel of flat land in a convenient Armstrong location. Majority of trees have been removed so it's an open canvass while still maintaining some important growth for your chosen privacy. Build your dream home in your choice of building styles or build up to 4 units, the zoning allows a variety of choices. Plenty of room for up to 3 storeys or something without stairs like a rancher, with or without a basement. The options are plentiful. Panhandle access so you'll be set back from the street for extra privacy too! (id:6769)
