

Fort Saskatchewan Alberta

\$727,700

Tucked at the end of a quiet cul-de-sac, this home stands out with a heated triple garage and a pie-shaped yard that most properties cannot match. The scale of the build reveals itself immediately upon seeing the entrance and the eight-foot wood doors. The living room offers a wall of windows that floods the main floor with natural light. In the kitchen, a central granite island serves as the natural gathering point, supported by a walk-through pantry that keeps the space organised. Upstairs, the primary retreat features a dream sized walk-in closet, custom tv cabinet and an ensuite with a corner jetted tub. Two additional bedrooms share a flexible bonus room, while a dedicated upper laundry room handles the weekly routine. Downstairs, the finished basement adds a fourth bedroom, a full bathroom, and a spacious family room. Outside, a huge composite deck extends off the dining area, overlooking the massive rear yard. A rare find in today's market! (id:6769)
