

2690 Dubbin Road Kelowna British Columbia

$2,288,000

Perched above Okanagan Lake on a private 0.6 acre setting. 2690 Dubbin Road is a rare architectural retreat where timeless craftsmanship meets breathtaking natural beauty. Designed by renowned architect Tom Hayney, this custom McKinley log home showcases exceptional post and beam construction, soaring cathedral ceilings, a seamless blend of natural wood & stone that feels perfectly at home in its lush scenic surroundings. Framed by 180 degree lake views & bordered by natural wooded easements on both sides, the property offers an extraordinary sense of privacy and serenity. Not only is this a romantic lake view home, but also a practical reality with all new: high efficiency furnace, air conditioner, main hot water tank, Rain Bird irrigation controller, and septic tank seal, monitor and pump. Inside, nearly every room has been thoughtfully designed to celebrate the view. The great room is framed by log beams across dramatic cathedral ceilings. Expansive windows flood the home with natural light while capturing the ever-changing beauty of Okanagan Lake. The kitchen is equally impressive, featuring striking Tiger granite countertops, stainless steel appliances, a dual oven, and an inviting layout designed for gathering with family and friends. Rich hardwood flooring, quality finishes, and architectural details create a home that is both elegant and welcoming. This stylish Swiss Chalet in prestigious McKinley Landing is a private natural sanctuary (id:6769)
