\$4,995,000

A rare offering! This unique and private 5-acre estate in coveted McKinley Landing, lovingly cared for by its original owners, is now on the market for the first time. The property features an architecturally stunning 3-bed, 3-bath home designed by Dan Pretty with 2,500+ sq. ft. of living space. This sanctuary combines serene country living with easy access to city amenities. The extension of North Clifton Road into McKinley means this property will soon be a quick car ride from downtown. Enjoy a private beachfront with dock, deck space, outdoor kitchen, and covered sleeping area perfect for Okanagan summers. The beach can be accessed by a footpath along the stream or by a cart path. Active farm status keeps property taxes low and allows for income from an established apiary, raspberry, and tree farm. An extensive irrigation system supports agricultural use, landscaping, and fire prevention. This property is a bird-watcher's paradise with mature trees and a natural stream surrounded by lush greenery, making the land a haven for wildlife. The home features vaulted ceilings, natural wood, a stone fireplace upstairs, and an antique brick fireplace in the family room, a generous master suite, loft study with rolling ladder, and incredible views from every window. There is an upper deck adjoining the kitchen and a lower deck with a hot tub off the master suite. There is a heated workshop, storage sheds, a trailer pad, and ample parking. Move in or plan your new dream home! (id:6769)
