

1274 Devonshire Avenue 306 Kelowna British Columbia

\$319,900

Five Crossings is an super cool building. It's so amenity rich and truly a lifestyle unlike any other. This thoughtfully designed micro suite maximizes space with a built-in Murphy bed, clever storage, a sleek galley kitchen, and a fully curated furniture package. The building offers resort-style amenities including a well equipped fitness centre, bike storage, dog wash, and a sophisticated lounge with a full kitchen, golf simulator, pool table, and elegant fireplace. The sixth floor reveals a serene yoga lounge and an expansive rooftop deck with BBQ area, covered outdoor dining/fireplace with breathtaking city and mountain views. The rooftop also features many cozy fire pit areas to enjoy with friends. On the ground level, enjoy a bocce area and a dog run. Additional conveniences include MODO car share, EV chargers, and a nice park across the street, all steps from Capri shopping and many restaurants. This condo combines style, comfort, and an unrivaled urban lifestyle. (id:6769)
