

5275 Big White Road 317 Big White British Columbia

\$229,000

White Crystal is ideally located right in the centre of Big White ski village. Best location on the hill. This unit has been freshly painted and is in good condition. It is atop floor and in the newer section of the building. It's a top floor corner unit and it is ideal for enjoying everything Big White has to offer right outside your door. This unit has a new Fireplace and the building envelope has been completely redone and paid for by the current owners. What a great advantage for the buyer. Easy to put in the rental pool and generate revenue or to pull it out to use for yourself or a combination of both. (id:6769)
