

Whitehorse Yukon

\$799,000

Welcome to your Yukon retreat and breathtaking scenery. This home offers 4 bedrooms, 3 bathrooms, plus a private in-law suite, making it perfect for extended family or guests. You'll also find a dedicated office and a cozy den. With just under 2,500 sq ft of finished living space and over 1,000 sq ft of unfinished basement, there's plenty of room for storage, hobbies, or future development. The hardwood flooring throughout the main level adds warmth and character, while practical upgrades like a newer septic system and oil tank provide peace of mind. Step outside and you'll discover a fantastic three-season greenhouse complete with heat, water, and power. Perfect for gardeners looking to extend the growing season in the North. Enjoy pristine views of Mount Michie and surrounding cascading mountains, while Cowley Creek is just steps away with tons of trails. If you've been dreaming of a home that combines space, scenery, and adventure, this property delivers it all. (id:6769)
